PERMISSION FORM FOR CHILD INVOLVEMENT IN MEDIA/MARKETING MATERIALS 2009-2010

It is important that we know if you have any objection to your child(ren) being included in school media, marketing and/or publicity materials, including, but not limited to, photographs, brochures, videos, newspaper and television feature stories/photos, and our school website. Signing this form authorizes the school to use photographs of your children for marketing/publicity purposes. **Please fill out and return this media release.** We will keep it on file in the school office until September 2010. If the form is not returned, your child(ren) will automatically be *excluded* from any media, marketing or publicity situations.

NOTE: If reporters come to school unannounced for a general news story, the school administration will make every effort to prevent them from interviewing or photographing students.
