Dear Parents,

Thank you for helping with McNamara's Band at the celebration on Sunday! The list below shows what time the boys will be reporting. Please be there to meet them at the stairwell between the rear 7th grade hallway and the Upper Cafeteria entrance. There will be a bag of vests and props to be distributed. Someone will come tell you when it is time to bring the boys down. If any students are missing we have to go on without them. You will collect the props and vests as they exit the stage and the boys are free to go. Please have one of the boys help you bring the props and vests back to the top of the stairs. After the 5:20 show they should be delivered to Mr. Meesey at the table in front of the stage.
